It's time to celebrate endings and beginnings. The closing of one year and the opening of the next represents an opportunity to evaluate and savor what is behind us—to plan and dream about what's ahead.

I like to make lists of accomplishments and goals each year. Although they're certainly not written in stone, there is something about seeing them on paper that lends substance and clarity to otherwise intangible time. This year has been a year of two major firsts for me: the birth of my first child and my first year as editor of the *Magazine*. (Our daughter Katherine was born about the same time as the Summer 1985 issue.) And although the wonder of this year is incomparable, I am looking forward to next year. I'm eager to apply what I've learned as a mother and as an editor—to work out some of the wrinkles—and to relax and enjoy, now that some of the highs and lows of newness have evened out.

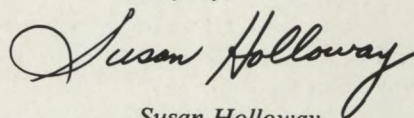

The *Magazine* will proceed similarly. It is a time for reevaluation and setting new goals. This issue itself represents an ending and a beginning. It's the final issue of 1985, but the first of our new design. It is the base from which we hope to build in 1986.

Credit for the *Magazine's* new format goes to Theta Diane Cones. Diane is a member of Beta Chapter. She lives in Indianapolis where she owns an advertising and design firm, Cones & Company. Many thanks, Diane.

In addition to the new look of this issue, I hope you'll take time to enjoy the content. You'll find features that are traditional, including the list of 75-year Thetas. But you'll also see some current faces such as that of Christian rock star, and Theta, Amy Grant. And don't miss the news about the 1986 Grand Convention, to be held next summer in Scottsdale, Ariz.

It's a fresh start for the *Magazine*, as it is for all of us, as the new year approaches. So here's to fond memories of 1985 and new beginnings in '86. Cheers!

Loyally,

Susan Holloway

Amy Grant

Amy Grant is doing what no other gospel artist has done. She's making it big on the pop charts as well as in the gospel music that first earned her acclaim.

Through music that competently combines a pop sound with Christian and "uplifting" lyrics, Grant is reaching out to both Christian and secular audiences. And they're responding!

On sold-out, cross-country tours, Grant is wowing crowds of 10,000. The three-time Grammy award winner and recipient of five Dove awards (gospel music's Grammy equivalent) currently has two albums on the pop LP chart, her single, "Everywhere I Go" is climbing Billboard's pop list and her name appears consistently on gospel charts.

In less than ten years, Grant has made a strong ascent from her first recording session—where she sang in the dark because she was intimidated by the studio—to becoming the first gospel artist to earn a gold record (sales of more than 500,000).

Today at 25, she's being touted by the likes of *Time*, *People* and *USA Today* as the "Madonna of Christian Rock," and "Queen of Christian Pop." But whatever the current label, one thing is clear: Grant's rock 'n roll medium with the Christian message is getting through.

When not on tour, Grant lives near Nashville with her husband, singer/songwriter Gary Chapman. A member of Alpha Eta Chapter at Vanderbilt, Grant tells *The Kappa Alpha Theta Magazine* a little about her music, her life and her feelings about Theta.

Q. How would you describe your music?

A. I would say pop music, a little bit of rock 'n roll with very uplifting lyrics.

Q. Why do you think contemporary Christian music is increasing in popularity so much now?

A. I think it's gotten a lot better and there are many more people doing it. The quality of the whole Christian recording industry is about 800 percent better than it used to be.

Q. How does your music fit in that trend?

A. I feel like my music is mainstream to edgy as far as the music content. Lyricaly, I feel like it's rather broad. Much of contemporary Christian music is very preachy. I feel like mine is more of a general life experience.

Q. What message do you want people to get from your music?

A. I want kids to be inspired with hope from my songs. I want them to feel like there is more to life than being young. I just feel that because of media and songs, kids feel like they've got to get it now, to be something now, because when they hit 30 there will be no more life. I guess I want to say to them, through my songs, that there is hope in this life and that life is a whole lot more than hormones. There is a lot of joy and fulfillment to be found and life doesn't have to be a 60-year gnawing experience.

Q. You have been well known and loved by Christian mu-

sic fans for some time, but only fairly recently have become part of the pop mainstream. How has that affected you?

A. I think that the greater visibility has probably made subtle changes in my life. I think I meet people that I wouldn't have met otherwise. I feel that when I was singing strictly gospel music, people would approach me in very unique ways. Many times, with somebody that wasn't into gospel music or wasn't a Christian, that label tended to build a wall. And I think there were times when conversationally or emotionally I was treated a little bit at a distance. I feel like there are people in my life that are just a little more open about themselves, because they think I'm a little more normal now. Personally, I think I've been the same person all along, but if someone perceives that you always have an emotional clerical collar on, it's naturally going to affect the way they respond to you. Life just feels a little more normal now, I guess.

Q. Do you like being famous?

A. Actually no, not really. I'll be in a shopping mall and I will hear a crowd of little girls behind me, saying, "Is it her? Is it her?" and giggling. They get louder and louder and that makes me feel very awkward. But there are also times when being well known opens up conversations and areas of vulnerability in someone's life that might not be opened under any other circumstance. Because they feel like you are somebody, then you're worth opening up to. And in those times it's not important to say, "Hey, I am not anybody special, I'm no different than you." It's just important to embrace the fact that they are opening up.

Q. Who was, or is, your role model and what kind of role model would you like to be?

A. I think as far as song writers go, I have really been inspired by Carol King, James Taylor and Kenny Loggins. I really like the way Michael McDonald sings. I'm pretty much a fan of anybody who sings with passion.

Q. When did you know you wanted to make music your career?

A. I think when I transferred to Vanderbilt, my junior year in college. I realized that I was really serious about this music stuff, and I think also what prompted me to make that decision was the fact that all my friends were starting to talk about what they were going to do with their lives. That's when I decided on music.

Q. What did you study at Vanderbilt?

A. English literature.

Q. When did you pledge Theta and why?

A. I pledged Theta following my junior year at Vanderbilt. I had transferred as a junior from Furman University in Greenville, S.C. I have two older sisters who are Thetas but I was really unfamiliar with the whole Greek system. I think I began being rushed the moment I got to campus, but I had no idea. I thought everybody was really friendly. It was a wonderful way to meet people, and I pledged Theta mostly because my best friend was a Theta at that time.

Q. What did Theta mean to you when you were in college and how has that meaning changed?

A. Well, I really am of the opinion that you get to know people because you go through not just the good times, but tough times too. I

think for me, Theta was sometimes a source of wonderful joy and sometimes a source of total frustration, but both ends of the spectrum always led to friendship. You know, there were the crazy, spontaneous times of fun, but there were also times that were draining on our schedules, our emotions, and our school work. Somehow, through all the craziness, a lot of really special friendships were forged. And really that remains the same, even now that I have been out of school for 3½ years. The friendships are still there.

I am not presently actively involved in the Theta alumnae. I'm just not home that much, but as I travel from city to city—a lot of times playing at universities—there are almost always Thetas there, and it's nice to have that feeling of comradery.

Q. How do you feel about men's and women's fraternities in general?

A. Well, I think my feelings, depending on the circumstance, pretty much cover the spectrum. At times I think they're wonderful; at times I think they're ridiculous. I think that people become better friends when they're forced to be together because they end up really getting to see all different sides of each other. But I feel it's really immature if wearing Greek letters on your shirt is the weight of what makes you appreciate, or not appreciate, someone else.

Q. What do you think is Theta's value?

A. I think that any organization that brings people together in a good atmosphere is valuable. I see Theta as being a relationship builder and a philanthropic organization that I hope to always be involved with.

Amy Grant: scoring high in pop and gospel.

Q. When did you leave school to pursue your career?

A. I left Vanderbilt at the end of my fourth year of college. I'm still about 20 hours short of graduating. It was not a difficult decision to leave, because the time that I was devoting to music was really making school an impossibility. Also that was the year that my class graduated and, even though I wasn't up there with the cap and gown on, I felt like we had been through it together.

I felt like we had come out on the other end of college, and we were alive and kicking and ready to get out there and meet life head on. And I think that somewhere in the back of my mind I knew that I would come back and get my diploma, which I still plan to do. I just haven't done it yet.

Q. What is your life like now?
A. I live on a bus about six months of the year, sing five concerts a week in five different cities. When I'm not on the road, I live on a farm outside of Nashville. Sometimes days will go by and I don't get in my car. I like to ride horses. I'm not very good, but I can hold on great. I enjoy taking long walks and going four-wheeling and watching the sunset out on the patio. Because some parts of my life are so fast paced, I really enjoy taking time to appreciate the times that aren't demanding.

Q. What is the best part of your life?

A. I guess I would have to say that the most exciting thing to watch and to experience, although it's not always easy, is my relationship with my husband. We've been married three years. I'm Mrs. Gary Chapman when I'm not Amy Grant. And it's just very rewarding to invest so much of yourself in a relationship, to really feel yourself growing as a person and feel as though you really are growing to know somebody else—to be a help to somebody else.

Q. Where do you see yourself in ten years?

A. Fat and pregnant!

Q. Will Theta always be a part of your life?

A. I hope so.

Q. Do you have any message for Theta readers?

A. Oh, boy! Life is too short. It sounds corny, but live hard and love the people in your life. I think that's what we're all struggling to do. And don't ignore your heart or your insides. Pursue what you dream and desire, but don't ignore your heart.

SCOTTSDALE

All the Southwest is known for dependable sunshine, Indian paintbrush sunsets, magnificent redrock landscapes and awesome canyons, but there's one corner that's more celebrated than any other—the Valley of the Sun. Better known to long-time devotees as Phoenix and its satellite cities Scottsdale, Tempe and Mesa, the area has emerged as one of the most popular meeting destinations in the United States. It certainly is popular with Theta! We will return for a third time in June for Kappa Alpha Theta's 57th Grand Convention.

One of the Valley's most exciting resorts, the fabulous Registry Resort in Scottsdale, will host the 1986 Convention from June 21 to 26. There's almost everything under the sun at this beautiful 76-acre resort, including a 21-court lighted tennis complex with health club, two championship 18-hole golf courses, three swimming pools, nearby horseback riding and many other sporting pleasures. The hotel boasts outstanding convention services and facilities. Care, creativity and a desire to preserve the area's natural beauty have resulted in the construction of a peaceful, carefree resort which blends subtly with the desert and mountain environment.

Nearby shopping offers unique and colorful boutiques in Old Scottsdale, Fifth Avenue and the Borgata, Scottsdale's answer to Rodeo Drive. Other Valley of the Sun attractions include the renowned Desert Botanical Gardens, Frank Lloyd Wright's Taliesin West and the Heard Museum, an internationally recognized museum of anthropology and primitive art.

If you wish to take side trips before or after the convention, the breathtaking Grand Canyon, the scenic Oak Creek/Sedona area, old

The luxurious Registry Resort in Scottsdale, Ariz., will be the backdrop for Kappa Alpha Theta's 1986 Grand Convention, June 21 to 26.

Mexico and other Arizona splendors are within a day's drive.

In addition to this opportunity to visit a truly picturesque area and enjoy superb hotel facilities, you will participate in the many events that make Grand Convention very special—from the welcome dinner honoring the Theta Super Stars to the impressive Nike ceremony. The week will be highlighted by special luncheons and receptions, an actual initiation, the awards dinner, fun night entertainment (including a sizzling western steak fry at the Arroyo—the hotel's own Old West Town) and the banquet.

Your convention managers, local convention committee and Grand Council invite you to share the Grand Convention experience—and the sunshine—in June at Scottsdale's Registry Resort. We look forward to seeing you there!

Call for Council Recommendations

Understanding election procedures and officer qualifications is essential for chapters, clubs and individuals in helping to select members of Grand Council. The following outline explains the process for choosing the Grand Council of Kappa Alpha Theta. Please read before completing the form on the opposite page.

I. The election of the Theta Grand Council.

A. Who chooses Theta's national officers?

1. All members, alumnae chapters and clubs and college chapters may recommend persons for nominations.
2. The Winter Bulletin will include a request from the chairman for nominations.
3. A letter will be sent by the nominating committee chairman, Spring 1986, to each college and alumnae chapter, inviting recommendations.
4. A similar letter will be sent to each district and national officer with recommendation blank enclosed.
5. Letters of recommendation from individual Thetas are also welcome.
6. Each district officer and each member of the present Council is asked to recommend to the chairman what she considers an ideal slate of new officers.
7. The chairman will acknowledge all recommendations received.

B. The selection of the nominating committee.

Nominating committee is selected after the opening session of Grand Convention. Each district elects one of its delegates to serve on the committee. One half of the committee members are alumnae delegates and the other half college delegates.

C. How the nominating committee functions.

1. The committee studies the responsibilities of each office.
2. The committee studies and evaluates the qualifications of each candidate recommended for each office.
3. The committee then prepares a slate of officers to present to Grand Convention for approval, after having first notified each candidate of her nomination to confirm her willingness to serve if elected.
 - a. Further nominations may be made from the floor by any *delegate*.

D. Every delegate votes by secret written ballot.

II. How long may members of Grand Council serve?

- A. The Constitution states that all members of Grand Council shall be elected at Grand Convention.
- B. Terms are for two years.
- C. No one may serve more than four terms as a grand vice-president and two terms as a grand president. No one may serve more than two

terms in the same grand vice-president position, i.e. college, finance, etc.

D. No member of Council may regress in office.

III. What does Grand Council do?

- A. Each member of Grand Council chairs one of the standing committees of the fraternity: administrative, alumnae, college, education, development, finance or membership. Council also plans convention. A council member must be an active contributor to the total welfare of Kappa Alpha Theta.
- B. Council meetings are held twice a year and last about a week, with additional meetings at Grand Convention and Leadership Conference.
- C. Each member travels outside her home district twice a year to visit college and alumnae chapters.
- D. She attends district meeting(s) as a representative of Grand Council.
- E. She attends and participates in the programs of Grand Convention, Officers' and Leadership conferences.
- F. She will be called upon by the grand president to accept special assignments—assist with extension and/or the installation of new chapters, to represent the Fraternity at interfraternity or educational meetings, and to make infrequent visits to additional chapters.

IV. Qualifications of Grand Council members.

- A. A college degree.
- B. Nothing in our laws requires experience as a district or special officer. However, because district presidents and special officers have a broad background of fraternity knowledge and experience, almost all Council members are drawn from among those who have held these positions.
- C. Her family must be able and willing to share her with the Fraternity.
- D. She should be able to type, must respect deadlines, dependably accomplish jobs she agrees to do, handle correspondence promptly.
- E. She should be able to speak well before a group, enjoy comfortable rapport with both college and alumnae members, be a representative of the Fraternity to whom you can point with pride.
- F. She must have the time available and the commitment to the Fraternity to meet her responsibilities as a member of Grand Council.
- G. Although serving on Grand Council is a volunteer position, expenses are paid by the Fraternity.

Recommendation For Grand Council

College chapters, alumnae chapters, alumnae clubs and individual members of Kappa Alpha Theta are eligible to submit recommendations for consideration by the nominating committee. It is their privilege and responsibility to call the attention of the nominating committee to Thetas who meet the qualifications listed on the opposite page. One recommendation, endorsed by a college chapter or an alumnae chapter or club, represents all its members. Therefore, recommendations from individual members of those groups are not necessary. Every recommendation will be acknowledged by the chairman of the nominating committee.

The consent of the person being recommended must be given if she is not presently a member of Grand Council, a district officer or a special officer. A Kappa Alpha Theta biographical form—to be filled out and returned—will be sent by the chairman of the nominating committee to each Theta recommended for Grand Council. After careful consideration of all recommendations, a slate will be presented to the Grand Convention for election.

Please send recommendations no later than April 25, 1986 to nominating committee chairman:

Jane Brokaw Gallup, 5208 Sand Point Pl. N.E., Seattle, WA 98105.

Recommendations postmarked after April 25, 1986 cannot be considered.

Message From The PRESIDENT

I was thinking of what I might use as a Founders' Day message, when a friend called. Her husband had changed jobs and they were moving to a new town. Jane had always lived in Indianapolis and was worried about leaving family and long time friends, as well as her established patterns of going to the same church, the same grocery, the same schools. She wondered how she would ever survive all these changes.

**"As you celebrate
Founders' Day, think
about the meaning of
sisterhood."**

Because we had been active together in Junior League, I suggested she let the transfer chairman know she was moving. That might solve a lot of problems. But Jane said she didn't really want to jump into all the activities in which she had been involved.

I started to say, "Why not call the Thetas," and then I remembered that Jane isn't a Theta. In fact, she had always kind of laughed at how involved I was with a "college rah rah group" when it was so obvious that college had been a few years ago. Jane didn't understand what Theta meant, and now she needed something of which she had always made fun.

And then I thought about another friend of mine. Janet had moved several times, but Janet has an advantage over Jane. Janet is a Theta.

When one of the children got sick and Janet had to have the name of a doctor, she was frantic until she happened to see the Theta summer *Magazine* on the coffee table. She looked up the name of the alumnae club president and called her. It was

such a simple thing to do, but Janet told me it was one of the most important things she ever did. She not only found a good doctor, but she discovered instant friendship and support.

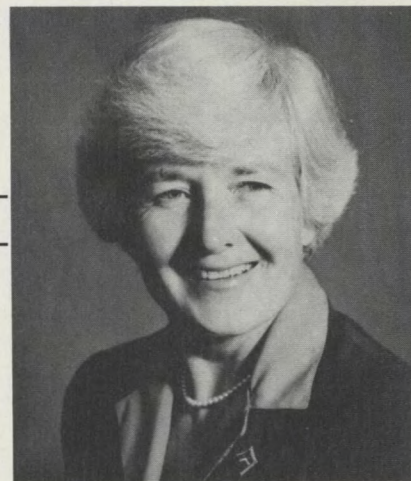

How lucky we are to be Thetas. How many Theta friends have you known who have been faced with similar problems: moving to new towns and not wanting to become too active in volunteer things right away, but wanting to find friendship and support? How many friends do you know who have turned to Theta sisters in time of divorce, financial crisis, child related illnesses or accidents?

Isn't there something special about telling a sister your problems, about asking a sister for advice as varied as, "Who's the best pediatrician in town?" to "How can my husband care so little about my needs?" There's something special about sharing a secret or some great joy with a sister, and about meeting someone for the first time and discovering that she is a sister.

Sometimes I think we get so caught up in performing a service to the community, in contributing to a good cause, in raising money for the college chapter we support—all of which are important—that we forget the most basic element of Theta. Sisterhood. Our founders realized the value of sisterhood. Long

before the term "women's support group" became a byword, they knew the value of a group of individuals with similar goals and purposes. Remember that our very reason for being was to enable those

Grand President Sue Supple

first four women to face all the obstacles that stood between them and the realization of their dreams to graduate from college.

As you celebrate Founders' Day, take special notice of the meaning of Theta in our lives. Forget, for a little while, your Flaming Festivals, your Santa's Houses, your poinsettia sales, your advisory board/house corporation board duties,

**"There's something
special about sharing a
secret or some great joy
with a sister."**

and think about the meaning of sisterhood. Call that older Theta who is alone and lonely. Call that new Theta in town and take her out to lunch. Look up the recent graduate who asked about jobs in your field to see if she has found a job yet. Listen to that sister whose daughter has been hospitalized. Share the love of Theta. It is what we are all about!

SHARING THETA

Theta collegians know the value and fun of
alumnae/collegiate interaction.

What are they doing to promote it? Find out in their college reports!

Epsilon Epsilon/Baylor

The Waco alumnae have always been a very vital part of Epsilon Epsilon Chapter at Baylor University.

We began a unique award this year as a way of recognizing those alumnae who had helped our chapter in a special way. The Alumnae of the Week Award was given to a different Waco alumna each week at our chapter meetings. As our alumnae continue to do so much for our chapter, this award helps Epsilon Epsilon realize the individual's distinct contributions and also to learn about her personally.

Epsilon Epsilon recognized a Theta alumna this year as our Woman of the Year. Mrs. Jean Epperson was presented the award for her outstanding community work at Baylor's Mortar Board banquet last spring.

During the fall, Epsilon Epsilon and the Waco alumnae joined together for two special events. Alumnae members came to the Baylor campus for a tea with our chapter. It provided a wonderful opportunity for us all to talk and to get the year off to a great start. This was followed by our annual Homecoming brunch for all Epsilon Epsilon alumnae and Delta Alpha Pi alumnae (our former local group). It was a day of seeing many old friends and also meeting many new ones.

In the spring, the Waco alumnae and Epsilon Epsilon collegians cele-

brated Founders' Day together with a slide show, ceremony and the honoring of many of our Theta alumnae for their years of service. Also, the alumnae took a special part in Epsilon Epsilon's Inspiration Week. At Kite Flight, the Baylor Thetas and pledges came out to fly their kites as the Waco alumnae provided fun and refreshments. During the week, Epsilon Epsilon alumnae spoke at each service.

Our alumnae continue to be supportive of our chapter and, through our interaction, it is possible for

Epsilon Epsilon to gain much from their leadership.

Delta Omega/Texas A&M

Delta Omega alumnae and the alumnae in the Bryan-College Station area have provided a foundation of love and support on which the Delta Omega Chapter has built. In the fall, the alumnae gathered to greet and meet our new pledges and their parents at a barbecue and open house. These and several other activities were all part of a Parents' Weekend for Delta Omega Thetas. Our alumnae helped in numerous ways with planning the weekend. It was a fun time shared by all and a wonderful opportunity for members, pledges, parents and alumnae to get together.

Founders' Day was celebrated with a luncheon at which several alumnae and collegians were honored. A Senior Luncheon was held in April at the chapter house. Several alumnae were present to welcome the graduating seniors.

The Delta Omega Chapter is now ten years old and we have had the honor and privilege of sharing these happy years with our wonderful alumnae. Their support, love and encouragement have enabled the Delta Omega Chapter to continue to build and grow.

Delta Zeta/Emory

Thetas at Emory University feel very fortunate to live in Atlanta—an area just brimming with Theta alumnae! Delta Zetas know that alumnae are always close at hand. Just knowing of their willingness to help their younger sisters definitely makes us feel loved!

Events like last fall's afternoon tea allow members and pledges to get to know the alumnae. Next year's alumnae relations chairman is already planning an Adopt-a-Pledge program in which Atlanta alumnae will "adopt" one of the pledges and give her a little extra attention during her pledgship. This program should enable pledges to establish special bonds with alumnae and see the many different facets of Theta.

This idea is just one of many that Delta Zetas plan to put into action next year. Hoping to see even more alumnae/collegiate interaction than ever before, Emory Thetas intend to strengthen this already healthy relationship into an outstanding one!

Phi deuteron/Stanford

Alumnae are an important part of chapter life for the Phi deuterons at Stanford University. We have been fortunate enough to share some really fun times with our two local alumnae groups—the Palo Alto and San Mateo chapters.

During fall quarter we had an alumnae-collegiate social at the home of an alumna in Los Altos. We had a great time sampling hors d'oeuvres, swapping recipes and getting to know Theta alumnae from all over. Our pledges had their first real contact with the alumnae contingent and began to realize that the bonds of Theta last longer than our four short years in college. Following the social hour and before the alumnae meeting, President Allison Lutz, Beth Kneeland (Cindy Howell Award winner) and Sue Mathisen (Founders' Memorial Scholarship winner) recapped their

convention experiences for the group.

Winter quarter began with a successful Founders' Day on January 26, 1985 at the beautiful Menlo Circus Club in Atherton, California. It was a great turn-out from both the Phi deuteron chapter and our alumnae groups. The day was highlighted by a luncheon, slide show on the archives of Kappa Alpha Theta, fun conversation and endearing words of wisdom from 50- and 75-year alumnae.

Finally, we are forever indebted to our local alumnae groups for their tremendous effort and support during rush. They provided us with homes for rush parties, food for sustenance and continual encouragement when spirits were running low. It has been a fun and successful year for Phi deuteron and our terrific alumnae.

Alpha Psi/Lawrence

Last fall at Homecoming, Alpha Psi Thetas held a reception for visiting alumnae in our newly decorated chapter room. Alumnae were invited to enjoy cheese and crackers and the new, bright room with the college members of Alpha Psi. We were especially anxious to share the room with the alumnae, as it was their generosity that enabled us to undertake the project. We were also fortunate to receive guidance and support from area alumnae throughout rush and the pledge period.

Thanks to one special alumna, the pledge class of 1985 enjoyed the opportunity to learn about Theta life on the Lawrence campus 40 years ago. We are hoping to make such nostalgic accounts by alumnae a permanent part of our chapter meetings. Members and pledges alike were fascinated with the changes that have occurred over the years. Despite the changes, however, several facets of Theta life remain the same. The friendships are numerous, the experiences are fulfilling and the fun is never ending!

Beta Pi/Michigan State

Steady ties between collegians and alumnae keep Michigan State University Thetas' kites flying year round. MSU's Homecoming game and Beta Pi Chapter's open house/buffet were festive occasions for alumnae and collegians in October. As a treat for alumnae and college members, East Lansing alumnae organized a teddy bear presentation, "Making Life Bearable," displaying a collection of more than 100 foreign, antique and modern stuffed bears. Wreath making, the Christmas craft project, was hosted by alumnae in the Michigan State chapter dining room.

In January, the Beta Pi Chapter was impressed with a distinctively authentic Founders' Day. The East Lansing alumnae—originating from 35 different Theta chapters across the nation—presented a fashion show with antique clothes furnished by Sue Netter and modeled by Beta Pi collegians. These classic outfits dated from the 1870s—attire Bettie Locke herself would have worn.

Year round, Theta alumnae brighten up collegians' birthdays and seemingly eternal finals weeks with cookies and cakes. And, twice during the 1984-1985 academic year, Beta Pi members have been welcomed back after breaks with fantastic surprises within the walls of the chapter house. Reflooring the foyer, reconstructing the back hallway, and redecorating the chapter room have made a remarkable and much appreciated difference in the atmosphere of the house. Consistency in alumnae/collegiate interaction is invaluable to healthy relations, as we at Beta Pi have discovered. We only hope for a deeper bonding as the days pass.

brunch. It was a great way for collegians and pledges to get to know alumnae. At the brunch, college members voted on three women who they felt had been assets to the chapter throughout the school year—one freshman, one senior and one alumna. The three chosen were Leza Robins, "Pansy Princess;" Sydney Ayers, "Pansy Queen;" and Karen Dow, "Pansy Alumna." The Thetas chose Karen Dow for the alumna award because of her hard work as financial adviser and her constant willingness to help the chapter whenever needed.

Also this spring, Beta Gamma members gave a special dinner in honor of the house corporation for their hard work in improving the chapter house this past year.

beautifully to giving us many scholarships and much more!

This year, Alpha Lambda at the University of Washington has engaged in many activities with our alumnae. One of our most successful programs is our Auntie Mame program. This pairing of alumnae and collegians on a one-to-one basis benefits both parties. The young spirit of Theta and the wise and knowledgeable alumnae learn from each other and grow in the love of Theta. Our Alumnae Relations Chairman Johanna Halin has organized different functions throughout the school year. Fall quarter was the beginning of the program with a banquet held at the chapter house. Winter quarter the teams of alumnae and collegians set off for a picnic, and this spring

introduce themselves to the alumnae in a fun way. As a class, they put on a fashion show of a typical day at Theta, and what one might wear. It started from morning pajamas and ended with evening formal wear.

Chapters are not complete without the help of their alumnae and we are no exception! Through the voice of *The Kappa Alpha Theta Magazine*, I would like to extend our love and thanks to all the Theta alumnae of the world. We couldn't do it without you!

Beta Zeta/Oklahoma State

Beta Zeta Thetas are discovering fun and creative ways to interact with our alumnae. Not only do we enjoy the many services they provide for our chapter, but we also are eager to share our time and talents with them. A number of our alumnae projects are geared toward their children, including a Halloween Trick-or-Treat night, a babysitting service, and the annual Easter Egg Hunt.

On an evening prior to Halloween, the children of our alumnae are invited to trick-or-treat to each room in the chapter house. Costumed members distribute candy and entertain the children while the mothers have a chance to visit.

For the babysitting service, sign-up lists are circulated to interested members and then distributed to alumnae. Fees are minimal and available times are posted weekly.

The Easter Egg Hunt is held annually and offers the members an additional chance to enjoy alumnae and their families on a one-to-one basis. Collegians enjoy decorating and hiding the eggs, as well as watching the hunt. One collegian even dresses up as the Easter Bunny! Following the hunt, pictures are taken and refreshments served.

These are just a few of the many events in which our collegians and alumnae share time together. Most importantly, Beta Zetas are discovering some new and special friends among our alumnae sisters.

Each month the advisory board meets to exchange "Theta Alumnae Words," and to get a chance to interact with the chapter members. Typically, 25 to 30 gather in the suite to chat with advisers in order to share the latest campus events and news. Gamma Upsilon President Mary Courtney says, "Our advisory board luncheons are fantastic opportunities for direct one-on-one communication between our enthusiastic collegians and our equally enthusiastic, but also knowledgeable and wise, alumnae. Beta Mu/Nevada

Last spring the rush committee of Beta Mu was busy planning our first annual alumnae rush party. This gathering is planned for the day before formal rush begins, and presents the alumnae with a preview of our rush skits—the "Sound of Music" and "Wonkaland." The chapter hopes this event will add to alumnae involvement in rush activities and provide those attending with much enjoyment.

The skit preview also acts as a dress rehearsal for the collegians—giving us a chance to fine-tune our performances for the rushees. This event promises to renew the bonds of Theta between our indispensable alumnae and the college members of Beta Mu in the important and challenging experience of membership recruitment.

Alpha Sigma/Washington State

An open house, commemorating the Alpha Sigma Building Association's final mortgage payment for an extensive 1964 addition, provided a unique backdrop for alumnae-collegiate interaction. A special edition newsletter was sent to alumnae informing them of the event, which was highlighted by a mortgage burning ceremony in the living room. A refreshment table was set up in the dining room, and bouquets were placed throughout the chapter house.

Washington State Thetas and the Pullman Alumnae Club also kept ties strong through Founders' Day and other formal dinners, as well as the annual brunch alumnae host for the pledge class at initiation.

Beta Nu/Florida State

Beta Nu's continuing goal is to improve alumnae/collegiate interaction at Florida State University. The annual Pledge Fashion Show for alumnae was once again a great success last fall. The 45 pledges enjoyed modeling the latest fashions for the Tallahassee-area alumnae. This event gives pledges and alumnae the opportunity to interact and share the excitement of a new school year.

Founders' Day kicked off our 1985 activities. Alumnae joined with the Beta Nu members and pledges to celebrate. We gathered at the chapter house for great conversation and a wonderful formal dinner.

As the refreshing March breezes increased, so did that Theta kite-flying spirit. Our traditional Kite Fly Day brought Beta Nu alumnae and collegians together for a sunny picnic in the park.

To further develop our Alum-Chum Program in which pledges and alumnae are paired together, an Alum-Chum Dinner was held. This was a touching event planned to help the alumnae and new initiates celebrate Theta sisterhood together. It was a fantastic end to a successful year.

Gamma Tau/Tulsa

In the fall semester Gamma Tau hosted a Halloween Party for the children of Tulsa area alumnae. Also we held two dinners, the first in appreciation of our house corporation board and the second in appreciation of our advisory board.

This spring Gamma Tau collegians' interaction with the alumnae has been varied. In January members were treated to pizza and a movie by the advisory board. In mid-March Gamma Tau helped the Tulsa Alumnae Chapter prepare for Theta Festival. Spring just wouldn't be spring without Easter, and to make sure area alumnae wouldn't forget, we hosted an Easter Egg Hunt for alumnae children.

The planning has already started for Fall 1985. Hopefully there will be an Alum Chum program for alumnae and pledges. Also an alumnae brunch is in the works. We appreciate and encourage support and involvement from our alumnae.

Carrie England

Omega/California-Berkeley

Omega Thetas are working to get their alumnae involved. Cynthia Wong, alumnae relations officer, hopes to have increased enthusiasm and participation from both collegians and alumnae.

Last spring the alumnae donated food for a party we gave at Easter for children of battered women. We were responsible for setting up an Egg Hunt and helping the children participate. In early May the East Bay alumnae hosted a lovely champagne brunch for the graduating seniors at a nearby home. Most appreciated was the food made during finals week for "Hoggies," our 10 p.m. study break that is a finals tradition.

In the fall, the chapter plans to have a dinner in honor of the alumnae. This will be a chance for the alumnae to share with us stories of their days at Omega and visa versa. Our chapter has set alumnae relations as a top priority for the pur-

pose of strengthening ties to our heritage, and to look to alumnae for ideas about Theta's future and our own personal aspirations.

Alexandra Stitt

Omicron/Southern California

The Omicron Chapter of Kappa Alpha Theta was honored at the 1984-1985 USC Greek Awards Ceremony with the Alumnae Award. This was the first year that alumnae relations was included in this awards program, at which sororities and fraternities are honored for excelling in various areas of achievement including sports, pledge programs, community service, scholarship and alumnae relations.

Many factors were taken into consideration when evaluating our qualification for this prestigious award. Primary was the quality of our alumnae newsletter, "Thetas of Troy." The annual newsletter was considered an excellent way of keeping alumnae informed of our special activities, rush announcements and accomplishments. Last year's newsletter was produced through the diligent efforts of Public Relations Editor Caroline Coleman. Information was presented in a thorough, effective style which aided in its success as a communicative device. Pictures from our various functions, as well as our new composite, were included.

One of our chapter's most important alumnae/collegiate events is the Auntie Mame program. Last year this program assigned each new pledge to an alumna who volunteered to serve as her secret pal. At the end of the pledgeships there was a banquet at which each Auntie Mame revealed her true identity to a thankful new initiate. Next year this program will be replaced with a similar program entitled Alum Chums.

We were very thankful for the constant moral and financial support of Omicron alumnae last year. From rush to graduation day, their voluntary assistance behind the

scenes was greatly appreciated. Since we have many legacies in the chapter, alumnae attendance at our family outings was vital to their success also. These events included: Theta Day at the Races, our annual Christmas Party and our first annual Mother/Daughter Luncheon.

Through our efforts to keep communication with alumnae open, our chapter was honored with the prestigious Alumnae Award. But the honor was certainly shared by the many alumnae who were so receptive and supportive of our every endeavor.

Gamma Rho/California-Santa Barbara

Gamma Rho Theta at UCSB enjoyed a great year which was enhanced by several activities with alumnae. Following the Founders' Day Luncheon, which was held February 9 at the La Cumbre Country Club in Santa Barbara, Thetas were able to meet alumnae at hosted dinners.

In early April, Mrs. Suzanne McEwen invited 12 Gamma Rho collegians to her beautiful home in Santa Barbara. The goal of the occasion was to get other alumnae involved with college chapter members. The dinner was potluck style, contributed by the alumnae members. This event has been very successful for the past four years.

Another activity is the annual Senior Dinner. Last year it was held in May at Mrs. Clare Parent's house in Santa Barbara. The purpose of this dinner is to acquaint graduating seniors with their new alumnae status. Also, the alumnae present seniors with graduation gifts.

Gamma Rho members are planning various events to involve the alumnae even more. Anticipated events are an alumnae brunch at the chapter house, inviting alumnae to initiation balls and having alumnae give career talks at the chapter house.

COLLEGE REPORT

Beta Lambda/William & Mary

Last fall one of Beta Lambda's most memorable pledge meetings concerned the role of our sisterhood after college, focusing on our future responsibility as alumnae. I distinctly remember the discussion which had been appropriately titled "Theta for a Lifetime." Soon afterward, I began to realize how true that statement is. In order to insure that sisters who have completed their college educations remain important in chapter life, it is essential that we retain close ties with our alumnae. After all, it is our alumnae who provide the very backbone of Theta.

The Beta Lambda Chapter at the College of William and Mary has worked diligently to involve alumnae in chapter activities. These interactions began early in the pledging period as an attempt to emphasize the importance of alumnae to the pledges. In fact, we held a pledge meeting at the home of an alumna, Mrs. Helen Dawes. Soon after that meeting came Homecoming Weekend. Our house held a Homecoming Tea for all alumnae and their families. It was clearly evident that all sisters enjoyed chatting with our alumnae and, in turn, the graduated Thetas showed great appreciation for the opportunity to meet collegians.

During the second semester, Beta Lambda hosted a Founders' Day Tea, extending invitations to all Beta Lambda alumnae and affiliated alumnae. But the culmination of our chapter/alumnae activities occurred in March when Beta Lambda was the host of District Day. Not only were our chapter alumnae involved, but college members were even provided the chance to meet a few alumnae from the chapters at the University of Virginia, Virginia Tech, Randolph Macon, Duke University, Wake Forest, the University of North Carolina and Clemson. Thetas young and old discussed the workings of each chapter, ate, sang together and, had the weather been favorable, would even have flown kites together! It indeed proved to

be a rewarding experience for everyone.

Beta Omicron/Iowa

One of the most positive and rewarding experiences a Beta Omicron Theta can have is the opportunity to work with the Iowa City Theta alumnae. From rush to informal get-togethers, our faithful alumnae work hand in hand with chapter members to keep Kappa Alpha Theta number one at the University of Iowa.

The 1984-85 year was highlighted with many new events that gave Thetas, both young and old, a chance to become better acquainted. As a major fundraiser, the alumnae held a style show at the chapter house and Thetas of all ages modeled for an audience of high schoolers, college students and other interested women. Receipts from the ticket sales went to the alumnae program.

In an effort to keep Iowa City safe at Halloween, University of Iowa Thetas invited the children of alumnae to trick-or-treat in the Theta chapter house. This was a big success with the children, the parents and women of Kappa Alpha Theta as well. Alumnae Relations Chairwoman Pat Kenefick also offered a night of free babysitting to alumnae members, so they could enjoy a night out without worrying about their children. Thetas and the kids colored and watched Walt Disney movies on a VCR.

Other events have been planned for the upcoming fall in an effort to keep our alumnae relations strong at the University of Iowa.

Jody Henjes

Delta Eta/Kansas State

The Delta Eta Chapter at Kansas State hosts both Halloween trick-or-treating and an Easter Egg Hunt for the children of area alumnae. During the Halloween season, each room in the Theta house is visited by bag-carrying groups of miniature ghosts, witches, television characters, hobos and clowns. This provides a safe, fun "neighborhood"

in which the children may trick-or-treat, and brings back fond memories of trick-or-treating days for collegians.

The Easter Egg Hunt is held on the front yard of the Theta chapter house or inside, depending on the weather, and is often highlighted by a visit by the Easter Bunny himself! These holiday events are not only great fun for the children, as well as the Thetas, but also encourage alumnae and collegians to get together on an informal basis.

Jackie Middleton

Gamma Delta/Georgia

As new Theta pledges we felt the special bond of Theta, but through the years we find that the bond only grows. It's not until after the college years that the true, eternal bond of Theta is revealed. The alumnae at the University of Georgia have found this statement to be true and have been working with the college members to share this bond. Each group has something to bring to the other. But this year, we realized that the college members and the alumnae simply didn't know each other.

In order to become closer, it was necessary for alumnae and collegians to spend more time together. So once each quarter last year, alumnae met with different groups of collegians—usually about 15 girls representing each class—and talked, played games, planned, shared goals and just got to know each other. It was an extremely beneficial time for both groups. The alumnae saw the exciting strength of their Gamma Delta Chapter while sharing with college members what Theta truly is—for a lifetime!

Alpha Epsilon/Brown

Alpha Epsilon planned some activities with our local alumnae, who have been very helpful to our new chapter. However, the most successful events were initiated by our alumnae. In December, before Christmas break, chapter members and alumnae decorated a holiday tree and enjoyed a party afterward. Alumnae supplied homemade goodies, and one of our advisory board members baked a personalized gingerbread man for each sister.

Later in the year, our alumnae planned a celebration with our chapter in honor of Founders' Day. They prepared a buffet brunch and told the college members and our new pledges the history of Kappa Alpha Theta Fraternity, which included reading a letter by Bettie Locke Hamilton. Pansies were given as a gift to each Theta. This celebration was especially meaningful because it marked the first contact between our pledge class and our alumnae, thus extending the bond of Theta.

An all-time favorite event is our alumnae Halloween party. All the alumnae with children ten years old and younger visit the chapter house to trick-or-treat from room to room. lifetime doesn't end when you're handed your college diploma!

Seeing that our semester was quickly drawing to a close, we decided to take action immediately. Through many hours of addressing invitations, planning decorations, cooking goodies and making name-tags, Alumnae Relations Officer Ellie Cheney, planned an exciting Sister/Alumnae Tea. Alumnae of the Delta Phi Chapter from the area were invited and many attended. The Tea gave alumnae and collegians a chance to tell Theta stories, learn from one another and to share the Theta sisterhood that we all treasure so much.

Kappa/Kansas

Thanks to the hard work and contributions from our alumnae, Kappa Chapter is taking on a whole new look. Two rooms have been completely redecorated with wall-to-wall carpeting, oriental rugs, and beautiful antique wood pieces. We hope to have the dining room finished soon with new wallpaper, chairs and chandeliers. Everything looks great!

One of Kappa Chapter's favorite alumnae activities is our annual Cookie Caper. About a week before rush, alumnae are invited to become rushees all over again. Cookie Caper gives our alumnae the opportunity to see what rush is like now, and it gives the collegians some practice for rush.

Something which we hope will become an annual get-together with our alumnae is our Christmas Tea. In December alumnae were invited back to have tea and sing carols. The chapter house was decorated with candles, holly and ribbon. After the tea, the collegians and alumnae walked to the campus to hear the University choirs sing Christmas Vespers.

Kappa Chapter is very lucky to have such caring and thoughtful alumnae!

Alpha Omicron/Oklahoma

The Alpha Omicron Chapter at the University of Oklahoma and the Norman, Oklahoma alumnae had a different sort of get-together this spring. On March 30, 1985, an Easter Egg Hunt was held at the Theta chapter house. The alumnae were invited to bring their children to the Egg Hunt and to meet the Easter Bunny, who looked a lot like member Devin Northcutt. Fifteen children showed up for the festive afternoon, which got underway at 1 p.m. As the kids found their prize eggs throughout the house, the members and the alumnae enjoyed the time to talk and reminisce about Theta. As the gathering came to a close, several alumnae members remarked that they thoroughly enjoyed themselves and thought the party was a great way to keep alumnae and member interaction going strong. Many thanks to Debbie Fitzgerald for her hard work in making the Easter Egg Hunt a tremendous success.

Epsilon Xi/Villanova

The Epsilon Xi Chapter at Villanova University was fortunate last year to have a brand new alumnae

member as our chapter consultant. Michele Demarest, a 1984 graduate of the University of Kentucky, arrived last September and did an outstanding job advising our new chapter.

When Villanova qualified for the NCAA semi-finals in Lexington, Kentucky, Michele contacted her chapter there. They graciously invited Villanova Thetas to stay at the UK chapter house. It was great fun for those of us who traveled to the tournament to meet new Thetas and to experience their Southern hospitality.

The Epsilon Xi Chapter also had the opportunity to assist our Philadelphia alumnae in a doll house showing. Miniatures and doll houses were showcased, and exhibits were donated by people throughout the area. The alumnae hosted the event and the chapter members acted as their assistants.

us. We greatly appreciate alumnae members, and have had programs designed to get to know them better.

Last year we had an Alumnae Serenade. Members of Delta Psi got together, drove to the homes of the alumnae and treated alumnae members to Theta songs. It was a great way to re-experience the unity of Theta for the alumnae, and it helped the college singers appreciate Theta even more.

More recently we embarked on a new means of showing how much we appreciate our alumnae. Chapter members made "alumnae coupons" which were redeemable for services including a tour of the UCR campus, lunch, a carwash, a chat, or movies. A lot of fun and original ideas surfaced, and it was a great way to meet and have fun with alumnae members we might otherwise not have had a chance to know.

Beta Rho/Duke

One of Beta Rho's most important goals this year was to strengthen alumnae relations with the chapter. Along with the continuation of traditional events, such as the homecoming brunch for alumnae in the fall, Beta Rho has been experimenting with new ideas, such as the Auntie Mame program, which has now finished a successful second year.

The Auntie Mame program has been a unique opportunity for the Beta Rho pledges to gain a broader perspective of Theta by meeting alumnae. Each pledge, who has been secretly assigned to a local alumna early in pledging, receives some sort of communication, under the pseudonym, "Auntie Mame". The Auntie Mame program is culminated just prior to initiation by a spaghetti dinner at which the alumnae have the opportunity to reveal their identities to their "nieces".

This program was exciting for the pledges because it inspired pledge unity and provided them with their first glimpse of "Theta for a lifetime."

Delta Delta/Whitman

The interactions between women of Delta Delta Chapter, Whitman College and alumnae always produce enjoyable results.

Within the last two years, the Founders' Day celebration has been revitalized. Last spring it was held at the Carnegie Art Center in Walla Walla, Washington. Many alumnae and college members participated. All arrived with pockets jingling—full of pennies for the Friendship Fund. Tales of Kappa Alpha Theta's national history, as well as the personal history it holds for each member, flowed freely. It was a special day for everyone present and enabled all to renew the ties which bind them to Theta women throughout the world.

A second facet of Delta Delta's interaction with alumnae arises from the help they give the chapter. Scholarships are provided by the women of the Yakima Valley, deserts are baked for rush parties, special celebrations such as Founders Day and Senior Breakfast are organized and contact is provided with magnificent role models. Each of these alumnae is truly successful and collegians are thankful for the benefits they receive from their association with them.

Psi/Wisconsin-Madison

Psi Chapter at the University of Wisconsin-Madison has enjoyed some interesting activities with our alumnae. Most recently we ended the semester with a Founders' Day celebration. Since the chapter house is one of the most important things shared between alumnae and collegians, we were sure to have the house ready to greet them. Around noon the alumnae arrived for the first item on the agenda, a house tour. After lunch everyone sat down to listen to speakers and then shared the excitement of a candlelight. The afternoon ended with everyone singing the friendship song.

Another traditional event, the senior banquet, was held at the

home of Mary Beth Schmalz. This dinner, honoring the graduating seniors, proved to be an enjoyable evening. We always appreciate the generosity of the alumnae!

Our alumnae relations chairman, Elizabeth Kunze, is busily planning future events with alumnae. She is happy to report that many Thetas are signed up for the Auntie Mame program, which will be new to our chapter next semester. We look forward to these and many other events with our special alumnae!

Epsilon Pi/Bucknell

The Epsilon Pi Chapter of Kappa Alpha Theta was born in September 1984. The starting of this new link in Theta's national chain was greatly enhanced by alumnae from all over. Epsilon Pi charter members witnessed first-hand the strength Theta has between collegians and alumnae because it was alumnae and Grand Council members that we met for rush. Throughout the next year the members and new sisters upheld this interaction with rush, initiation, workshops and other informal functions.

Area alumnae helped with the many activities that were new to the chapter members. During rush, alumnae offered their valuable time and energy to help organize parties and prepare food. The alumnae also offered to decorate the new suite.

By asking questions and providing opportunities for chapter input, the alumnae from the Bucknell area came to be an important part of the new chapter. Through various functions in which alumnae took part, the chapter members have seen how far the bond of Theta extends after college.

In the final month of the school year the strength of Theta was exemplified greatly during initiation. The alumnae offered the chapter much advice and greeted each new sister with food, notes and special, little black-and-gold baskets for their new badges.

Loyally in Theta Fund

The dollars you give, in appreciation of the memories and friendships Kappa Alpha Theta has given you, provide the "extras" for extension and programming which keep Theta's kite flying ever higher. Therefore, it is with special gratitude that we list all contributors whose donations were received from August 1, 1984 to July 31, 1985, in recognition of their support and loyalty. On behalf of Grand Council and all Thetas, thank you.

Collegians

Peggy Barton, Gamma Iota, was crowned the 1985 Kentucky Derby Queen in May. Barton is an honor student majoring in accounting at the University of Kentucky. She is president of her chapter and has also served as vice-president pledge education. Her academic accomplishments include the dean's list, Collegians for Academic Excellence, Phi Eta Sigma and Links.

Peggy Barton

University of Oklahoma Theta **Cindy Wall**, Alpha Omicron, represented her home state of Texas in the Miss T.E.E.N. Pageant in Albuquerque, N.M. in November, 1984. As a college freshman, she captured the title of Miss Photogenic, and was named first runner-up in personal interview, first runner-up in formal presentation and third runner-up nationally. Representatives from 50 states participated in the Miss T.E.E.N. Pageant, a national recognition program for outstanding teen-age girls. Contestants are judged on scholastic and volunteer service achievements, speech or talent, formal presentation and personal interview.

Michelle Pagni, Phi deutron, has been named the international president of Spurs, a sophomore honorary.

Recent Lawrence University graduate **Sue Wilkinson**, Alpha Psi, received the University's 1985 Pond Athletic Award for Women. The annual award goes to a senior woman who best demonstrates excellence in scholarship, leadership, sportsmanship and service.

Alumnae

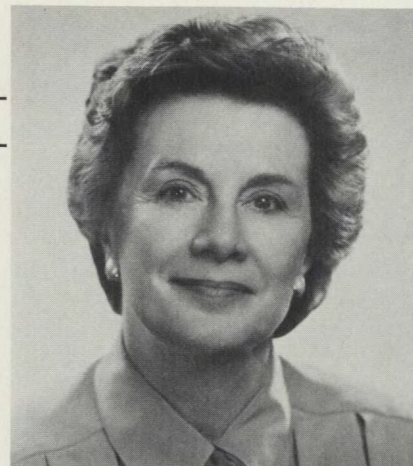

A member of Kappa Alpha Theta, **Mary Kay Johnston Lowery**, Alpha Sigma, was installed as president of Panhellenic of Hawaii for 1985-86. The Washington State graduate took office May 4 at the Panhellenic's annual awards and installation banquet in Kailua, Hawaii.

Ruth Cowser, Alpha, was one of eight DuPage, Ill. County women honored at the Outstanding Women's Leaders Luncheon, sponsored by the Chicago YWCA-West Suburban Area. The Glen Ellyn resident has helped nearly 2,000 DuPage County women evaluate and focus their lives through the courses she has developed and taught at the College of DuPage.

Sallie H. Barringer, Beta Rho, was awarded a Fulbright grant to study library automation at the Royal Library in Brussels, Belgium.

Cindy Wall

Mary Kay McPhee

Mary Kay McPhee, Kappa, was installed as president of the American Medical Association Auxiliary at the 1985 annual convention in Chicago. The AMA Auxiliary, a volunteer organization of 80,000 physicians' spouses, is organized at the national, state and county levels. Primary focuses of the organization are to promote community health projects and to provide support to the medical profession. McPhee has served as president of her county and state auxiliaries, and at the national level in numerous elected and appointed positions.

Eighty-four year old **Grace Barnes**, Chi, received the Good Neighbor Award from the Temple Beth Israel in Macon, Ga.

The Counseling and Pastoral Care Center of Austin, Texas, named ten outstanding people at its 10th anniversary dinner in 1985. **Ellie Schneider**, Alpha Theta, was honored for her 25 years of work in social services.

Canadian Theta **Doris Woolcott Guyatt** was one of six women honored at Metro Toronto's YWCA's annual dinner for their Women of Distinction Awards in May. The Gamma Epsilon alumna was awarded for her work in public affairs and public service. She works with the Ontario Ministry of Community and Social Services, focusing on the problems of battered women, teen mothers and isolated rural women.

KAPPA ALPHA THETA FOUNDATION

Foundation trustees approve scholarship increases

At the annual meeting of The Kappa Alpha Theta Foundation, the board of trustees approved several measures to increase scholarships available to Thetas.

First, the board approved an increase of five new scholarships for graduates, bringing the Foundation total in 1986 to 15 graduate awards at \$1,500 each. In 1987 another five will be added to bring the total number of graduate scholarships awarded annually to 20. Four of the graduate scholarships will be named after four loyal and dedicated Thetas:

Louise Johnson Miller, Alpha Gamma; Jean Johnson Smith, Alpha Gamma; Jean Ross Miller, Alpha Psi; Shirley Shields Smith, Gamma Phi

The trustees also voted to increase the value of the Founders' Memorial Scholarships to \$2,500 and to increase the number of Community Involvement Program (CIP) grants to 18, so a CIP grant may be given in each district. CIP grants are given to worthwhile charitable projects in local communities in which Thetas are involved.

The trustees agreed that the Foundation Fellowship, which is awarded in Grand Convention years, will be limited to Theta applicants. In 1986 the Fellowship will

Grand President Sue Supple, left, presents Foundation President Hilary Salatich with a candy "thank you" in appreciation of all that the Foundation has done for the Fraternity.

be \$3,500 for a Theta pursuing a degree beyond the Master's level.

Nearly one third of the Foundation's total assets is dedicated to the scholarship program. Since the Foundation began 25 years ago, hundreds of Thetas have been able to complete their education because of Foundation scholarships.

In other business, the Foundation trustees granted the Fraternity funds to support the following programs:

\$ 90,000 Chapter Consultant Program

4,000	Archives
6,800	Alumnae District President Program
25,000	Chapter Finance System Pilot Program
5,000	Leadership Development
<u>\$130,800</u>	TOTAL

In the spirit of fraternal cooperation, the board of trustees is proud of their efforts and decisions to fund programs of the Fraternity that are educational and charitable. Concern for the advancement and welfare of Kappa Alpha Theta continues to be a Foundation priority.
